

2024 - Summer Reading for Students Entering 7th Grade

Students entering 7th grade are required to read *two books* over the summer.

Assignment: After reading both books, write a paragraph explaining which book you liked best and why. Your paragraph should be five to seven sentences long and include a topic sentence, supporting details, and a concluding sentence. (10 points)

Fever 1793 by Laurie Halse Anderson. We will use this novel during the school year while working on our research skills.

The Red Bandanna by Tom Rinaldi. We will use this non-fiction book as part of our September 11, 2001 lessons.
